

Macquarie Technology Group Dictionary

The Dictionary sets out the meaning of the terms in capital letters referred to in, and forms part of, our Agreement.

Acceptable Use Policy or **AUP** means the current version of our Acceptable Use Policy, as published on the Website www.macquarietechnologygroup.com and updated by us from time to time.

Agreement means the agreement between you and us regarding the Services comprising the following documents (as applicable): the Trading Terms, the relevant Service Schedule/s, the Dictionary, the Order/s (including the pricing schedule), the MSPL, any Service Level Guarantees, the AUP, any Statements of Work and any other policies or documents incorporated into the above documents by way of reference including any that have been provided to you: (a) in hard or soft copy prior to entering into the Agreement; (b) by hyperlink; or (c) by us publishing them via your Customer MacquarieView portal.

Business Day means any day other than Saturday, Sunday or an official public holiday in the State or Territory in which something must be done.

Charges means:

- (a) the amounts you are required to pay for the Services we provide in accordance with an Order (including, if applicable, any delivery or installation charges);
- (b) any amounts you are required to pay for early cancellation or termination of Services (including amounts payable under **clause 6.3** of the Trading Terms);
- (c) any service charges we impose on credit card payments; and
- (d) any other amounts that we are entitled to charge to you under the Agreement,

in each case, which may be rounded up to the nearest cent and are exclusive of GST.

Cloud and Hosting Services or **Hosting Services** means any private cloud and hosting services specified in an Order (including any attached Statement of Work) and as further described in Service Schedule 4 – Cloud and Hosting Services.

Customer Content means any and all content and data of any kind created or stored on the Customer Equipment or Our Equipment, or transmitted or accessed using the Services and includes any software downloaded or used by you that is not provided by us as part of the Services.

Customer Equipment means any Equipment, other than Our Equipment, which you use in connection with the Services and includes Purchased Equipment.

Data Allowance is the volume of data specified in the applicable Order that you have been allocated as part of your Mobile Data Solution that you may upload and download using the Mobile Services.

Data Services means any data services specified in an Order and as further described in Service Schedule 3 – Data Services.

Device means a device capable of interfacing with the Services or transmitting and receiving communications and any equipment or accessories that are capable of being used with that device by an End User.

Dictionary means this document, which is available on the Website.

Emergency means a situation that could jeopardise human life or safety, or result in damage to property, unless immediate action is taken.

End User means any end user or beneficiary of any Services or other person who accesses the Services, whether authorised by you or not.

Equipment includes Devices, and other hardware and software.

External Circumstances Event means any event or circumstance beyond a party's reasonable control, including fire, flood, explosion, acts or omissions of Providers or other providers of services, accident, war, act of terrorism, embargo, Governmental action, Acts of God and industrial disputes.

Expected Ready For Service Date means the date from which we expect to supply the Services, as notified to you. This may be different from the date you requested.

GST means goods and services tax payable under applicable Australian law.

including means including without limitation.

Intellicentre means any of our data centres including IC1, IC2 and IC4.

Insolvency Event means any of the following events (or anything equivalent) occurring in relation to a party: a receiver, manager or administrator is appointed over any of its assets or property; a liquidator is appointed (whether under a creditor's petition, voluntary liquidation or otherwise); a resolution is passed for its winding-up (except for the purpose of amalgamation or reconstruction); it is placed under any other form of insolvency administration; it enters into any composition or arrangement with its creditors; it is insolvent (or is deemed to be under any applicable law); or it ceases to carry on business.

Liability, Liabilities and Liable means all claims, demands, actions, proceedings, losses, damages, (including loss and damage to property), fines, penalties, costs, expenses (including legal fees on an indemnity basis) and other liabilities, whether arising in contract, tort (including negligence), equity, under statute or on any other legal basis.

Logistics Services means postal, courier and related delivery services provided in connection with the supply and replacement of SIMs and Devices.

Macquarie Rates means any specific rates for the Services that are set out in the applicable Order. Macquarie Rates are exclusive of GST unless otherwise specified in the Order.

Minimum Charges means, for any Service that has been cancelled, the sum of all fixed one-off or periodic Charges, as specified in the Order and the MSPL, which would have been payable from the effective cancellation date to the last day of the Minimum Period. If there is no applicable Service Start Date in relation to a Service, the calculation is made as if that Service Start Date was on the effective cancellation date.

Minimum Period means, for each Service, the period in the applicable:

- (a) Purchase Order or, if none is specified, 12 months; or
- (b) Provisioning Request, or, if none is specified, the longer of: (i) 12 months; or (ii) the longest Minimum Period applicable to the Services currently being obtained by you,

in each case, commencing on the Service Start Date of the applicable Service.

Mobile Services means any mobile telecommunications services specified in an Order and as further described in Service Schedule 2 – Mobile Services.

MSPL or **Macquarie Standard Price List** means our current price list which specifies our

standard rates for Services, exclusive of GST at <https://macquarietechnologygroup.com/mspl-info/>.

Minimum Monthly Committed Spend – means 85% of your Monthly Committed Spend calculated as set out in clause 2.2 of Service Schedule 1 (Voice Services) and clause 7.1 of Service Schedule 2 (Mobile Services) of the Trading Terms.

Monthly Committed Spend – means the total monthly required usage-based expenditure for Voice Services or Mobile Services core fleet call charges (excluding Innovation Fund Charges, service, line rental, equipment and other non-call charges but including text and data charges), specified in the applicable Order.

Numbers or **Designated Numbers** means: (a) the service numbers associated with the Provider account numbers transferred or to be transferred to us or connected, including the account numbers you notify to us before or after our acceptance of an Order; and (b) any new service numbers subsequently introduced to the Order.

Order means a Purchase Order or Provisioning Request.

Our Backbone means the ATM and IP network we own and/or operate, which we use to provide Services and may include Providers' networks connecting to our network.

Our Core Network means our telecommunications network comprised of equipment, wiring and circuits between our core internet routers and switches that we operate and control.

Our Equipment means any Equipment, other than Purchased Equipment, which we supply or use in the provision of Services. Our Equipment may be owned by us or a third party (such as a Provider) and may include Rented Equipment.

Outage is a period of time that the supply of the Services is interrupted other than an interruption that is less than 1 second in duration.

Payment Period means 14 days from the date of the invoice.

Personnel means a party's, directors, officers, employees, agents, contractors and other representatives. In our case, this includes any Providers.

Planned Outage means a period during which we may interrupt our supply of Services for maintenance, up-grading or other processes, after giving you 5 days' notice, and which does not exceed the period of time specified in that notice.

Premises means any land, building, structure, vehicle or vessel at which a Service is supplied, or to which we need access so we can supply a Service.

Provider means a carrier, service provider, subcontractor, licensor or other supplier that we use in connection with the provision of any Services or Equipment.

Provisioning Request means either a signed written order in the form prescribed by us or, an online order submitted by you via our Service Management Tools, in each case in order to add, move or change, or cancel a Service.
